FORTY-FIFTH ANNUAL MEETING

**Old North State Medical, Dental  
and  
Pharmaceutical Society**

*The Oldest Negro Medical Society  
in the World*

1887—1932

June 7, 8, 9, 1932

LIVINGSTONE COLLEGE  
SALISBURY, N. C.

DEAR DOCTOR:

The depression is over—but the panic is on. A good prescription and treatment for the panic is to attend your annual State Medical Society. Your association with other men from various parts of the State will give you new ideas as to how to help your situation.

A few days out of your town will improve you psychologically, physically and probably financially. You can never tell—so come to Salisbury and see what will happen.

Our program will be educational—short and snappy—plenty of time will be given for recreation. Please bring your official program with you.

---

Our sessions will be held promptly at 9:30 A.M. daily and close at 2:00 P.M. sharp.

*Bring your wife and children—*

*they will enjoy it.*

## Mornings—Early

The subjects are practical.

The speakers pre-eminent.

The discussants outstanding.

Three things we emphasize

—brevity

—general discussion

—impromptu comments

Our convention is for all of us.

Crystallize your ideas

Formulate your thoughts.

Marshal forth your objections.

*Bring your problems, your experiences,*

*and your willingness to boost.*
